Mr. Cost

Room 16, Friday, Period 5, (CPC) NEWS. The entire 5E2 English class witnessed an example of severe injustice here today. Mr Cost, well-known English master, suddenly burst upon the unprepared class with angry words upon his lips. While pointing an accusing finger at Richard Elliott, well-known (CPC) columnist, the said teacher stated, "You haven't been working, my boy!" Poor Elliott was stunned beyond recognition. As everyone knows, he is one of Mrs Cruise's most hard-working students.
